PROFESSIONAL SUMMARY

- Hardworking and passionate Computer Science student focused on backend development. Experienced in C++, Java, JavaScript, C#, and Python. Built real-world applications including file encryption tools, photoeditors, games, and full-stack systems. Currently exploring Express.js to build modern backend APIs.

EDUCATION

Computer Science

Modern Academy El-Maady

Current GPA 3.2 / 4.0 (B+) (Above Average)

2024 – 2028

El-Maady

TECHNICAL SKILLS

Languages

C++, Java, JavaScript, Python, SQL,C#

Databases

MS SQL Server

Concepts

OOP, Design Patterns, RESTful

Architecture, MVC

Soft Skills

Problem solving and analytical thinking

Strong communication skills

Teamwork and collaboration

Backend Technologies

ASP.NET ☞ Core, MVC, Web API, Entity

Framework Core, Node.js, Express.js,Django

Tools

Git, GitHub, VS Code

Frontend Technologies

HTML5, CSS3, JavaScript, Bootstrap

PROJECTS

E-Commerce Web Application (Amazon-like Platform)

01/2026 – 02/2026

Designed and developed a **full-stack e-commerce web application** using **ASP.NET**

☞ **Core MVC, C#, HTML5, CSS, and Bootstrap.**

- Implemented product listing, product details, and basic shopping workflows.
- Integrated **SQL Server** for database design, data storage, and CRUD operations.
- Improved understanding of **MVC architecture**, database relationships, and backend–frontend integration.

PROFESSIONAL EXPERIENCE

DEPI Full Stack .NET Developer

12/2025 – 06/2026

Company: ATS, Location: Giza, Entry Date: October-2023 – Present

Giza,Cairo

- Developed and maintained web applications using ASP.NET ☞ Core,C#, and MVC architecture.
- Implemented front-end features using HTML5,CSS3,JavaScript.
- Designed and optimized SQL Server databases, writing efficient queries and stored procedures.
- Integrated third-party APIs and developed RESTful APIs for seamless communication between front-end and back-end.
- Assisted in migrating legacy systems to modern .NET Core architecture.
